

PROFESSIONAL PRODUCTION APPLICATION

for image & sound production including, but not limited to, film/digital/slide photography, digital video/35mm film, illustration or other image representation

- All on-site production requires Museum staff assistance. Fees are determined by the type of exhibit access requested and the associated staff.
- This application will be used to determine guidelines and pricing. If approved, the Desert Museum will issue a special use contract.
- All fees, insurance paperwork, and contracts are due no later than two weeks prior to production or the production will be cancelled.
- All services are dependent upon the availability of Desert Museum's staff and resources.
- The Museum reserves the right to halt production should unsafe situations or conditions arise for staff or animals.
- Absolutely no outside animals can be brought in.
- Commercial General Liability Insurance in the amount of one million dollars is required.
