

(Sonoran Desert days)

The sun comes up

The crickets stop

You hear the birds chirp

The rattlesnake's rattle

The bobcats roar,

The lizards come out

Good Morning desert

As night falls you

hear the howling of the coyotes

The buzzing of the crickets

Lizards returning to their hole

Good night desert

My sonoran desert

Braden Irwin

A stylized signature or drawing of a person's name, possibly 'Braden Irwin', written in a cursive, flowing style. The letters are interconnected and have a dynamic, almost calligraphic feel.
