*A Midday Thievery*

*A little thief in disguise  
Donning orange and black  
A gila monster ready to snack  
At a quail's nest,  
On the ground  
The parents gone  
Off for now  
To the advantage  
Of the stealer  
Who slowly starts to inch nearer  
Crunch! Chomp!  
The quails are in for quite a  
Shock!!*
