FOR OUR GUESTS:
STOP.
PLEASE DO NOT ENTER IF YOU HAVE COVID-19 SYMPTOMS.

We are committed to keeping you healthy and safe, but we cannot guarantee you won't be exposed to COVID-19. We rely on you to protect yourself and others too.

Please wear a face mask covering the nose and mouth area throughout your visit if you can safely do so. Masks are required in all indoor exhibits, restrooms, shops, and any time social distancing is not possible, such as passing others on pathways.

Wash your hands or use hand sanitizer often and avoid touching your face. Restrooms and hand sanitizer locations are shown on the map.

Required physical distancing is marked by green flags, ground stakes, floor decals, and pathway markers. Use these markers as a guide and maintain a minimum 6 foot distance from anyone outside of your household.

Avoid touching surfaces whenever possible. Please do not touch exhibit windows, or lean on barriers.

If you begin to feel ill during your visit, please notify a staff member and discontinue your visit. We will happily welcome you back another day.

Health and safety guidelines are in place for your safety and the safety of others and we appreciate your cooperation. Those unable or unwilling to comply will not be permitted to enter or remain on grounds.
