

## Coyote in the Desert

By Emily Davis

2<sup>nd</sup> Grade

Coyote creep

In the day

Hunting rabbits

Every way.

When they catch one

In the dark,

They gather round

And start to bark!

Hear me howling

At the moon.

Will I scare you?

Maybe soon!

In the desert

I like to prowl.

If you're quiet

You can hear me howl.

If you see me,

Don't you run!

I might chase you

Just for fun!
